

## **Expert talk on “Decision tree in Machine Learning” @ Indian Institute of Technology (IIT) BHU**

Kamal Kant Hiran gave an **expert talk on topic “Decision tree in Machine Learning”** on dated 2<sup>nd</sup> and 3<sup>rd</sup> June 2020. Participant were from different universities and colleges in India.

### **Details:**

Computer Science and Engineering Department of Indian Institute of Technology (BHU) Varanasi is organizing a 45 days Continue Education Program on **"Summer Workshop cum Internship on Machine Learning Applications to Internet of Things" from 1<sup>st</sup> June-16<sup>th</sup> July, 2020** at Online mode. It covers both theory and projects. We would be grateful to you, if you can contribute as one of the resource persons in SWMLIT-2020 and share your expertise on any of the related topics as per the theme. Your knowledge would be an excellent addition to our program.

Dr. Hari Prabhat Gupta  
SWMLIT-2020
