

IEEE Senior Member (SM) Recognition

Kamal Kant Hiran, who is elevated as a Senior Member (SM) in the IEEE, USA (Advancing Technology for Humanity). SENIOR MEMBER grade is a distinction reserved for experienced (10+ years of professional experience) engineers, educators, technical executives, and other technologists in IEEE-designated fields.

It's an honor reserved for fewer than 10% of the IEEE members to achieve this level of professional recognition. IEEE Senior Membership is an honor bestowed only to those who have made significant contributions to the profession.
